

## PILZ 541059 PNOZ Safety Relays Safety Switch Module

Our Product Introduction

### Basic Information

- Place of Origin: GERMANY
- Brand Name: PILZ
- Certification: CO
- Model Number: 541059
- Minimum Order Quantity: 1pc
- Packaging Details: BRAND NEW WITH FACTORY PACKAGE
- Delivery Time: 2-3 days
- Payment Terms: T/T
- Supply Ability: 100PCS PER WEEK

### Product Specification

- PART NO.: 541059
- Weight: 0.15 KG
- Actual Price: Negotiable
- Condition: New Original With Sealed
- Application: Oil And Gas Factory
- Color: Normal

## Product Description

PILZ 541059 PNOZ Safety Relays Safety Switch Module

### Description

|                     |                                                                                                                                                                                                      |
|---------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Model               | 541059                                                                                                                                                                                               |
| Part number         | 541059                                                                                                                                                                                               |
| Brand               | PILZ                                                                                                                                                                                                 |
| DataSheet/Catalogue | In PDF File                                                                                                                                                                                          |
| Weight              | 0.15 KG                                                                                                                                                                                              |
| Condition           | Brand new                                                                                                                                                                                            |
| Description         | RFID safety switch 2 safety SC outputs, 8-pin M12 plug, 0.15 m cable, 1 actuation direction, SDD support, IP67 switching distance depending on actuator, series connection, PU = 1 piece Code switch |

### Product application

- \*Handles security and automation functions
- \*Can be used either as a stand-alone controller or in a network
- \*Intuitive programming of complex functions
- \*Modular system architecture for high flexibility
- \*Various module options to meet different requirements
- \*Real-time Ethernet SafetyNET p for safe communication
- \*Controllers available for railways, lifts/escalators
- \*Controller is temperature resistant
- \*Visualisation of the network base with PASvisu software

### Company Information

**Wuhan Sean Automation Equipment Co.,Ltd**

ADD: Building 2, Fanhai International SOHO , Huaihai Road, Jiangnan District, Wuhan,China.

**Main manage distributed :**

- ◆Control system (DCS)
- ◆Programmable controller (PLC)
- ◆Vibration system monitoring card (ESD) system card
- ◆TSI Vibration Monitoring System
- ◆Steam turbine control system module
- ◆Gas generator spare parts

### Mainly Products

◆PLC:

- 1) ControlLogix 1756 series controller
- 2) CompactLogix 1769 series controller
- 3) SLC-500 1747 1746 Series Controller
- 4) PLC-5 1771 1785 series controller
- 5) FlexLogix 1794 series modules

6) ProSoft :MVI69/PS69/MVI56/MVI94/MVI71/MVI46/3150

◆**ABB DCS:**

- 1) AC800M series controller I/O module
- 2) AC800F series controller module
- 3) AC31 series controller module
- 4) 800xA series modules
- 5) Bailey INFI 90 module
- 6) DSQC robot module spare parts
- 7) Advant OCS system spare parts

◆**Bently Nevada:Bently 3500 System Card**

◆**General Electric:IC693,IC695,IC697,IC698,IS200,IC200 series**

◆**Siemens (Siemens):**

- 1) Siemens MOORE
- 2) Siemens S5
- 3) Siemens S7 200series,300series,400series,ET200SP series,S7-1200 series,S7-1500 series so on.

◆**Rexroth Indramat:I/O module, PLC controller, drive module**

**Packaging & Shipping**

- 1)All quote are basic on EX-WORK
- 2)Delivery time: 3-5 days after payment
- 3)Delivery term via DHL/TNT/UPS/EMS/Fedex.
- 4)Packaging Details:original packing factory sealed

**Hot sale products**

#### For Your Information

- 1) Our company is a supplier of automation industrial products headquartered in China.
- 2) We have more than 20,000 PLC modules and DCS modules in stock.
- 3) We are committed to helping customers reduce costs and enrich procurement channels.
- 4) We are committed to providing customers with higher quality products and services
