

ABB PM665 3BDS005799R1 AC 100 Processor Module

Our Product Introduction

Basic Information

- Place of Origin: SWEDEN
- Brand Name: ABB
- Certification: CO
- Model Number: PM665
- Minimum Order Quantity: 1pc
- Packaging Details: BRAND NEW WITH FACTORY PACKAGE
- Delivery Time: 2-3 days
- Payment Terms: T/T
- Supply Ability: 100pcs per week

Product Specification

- PART NO.: 3BDS005799R1
- Weight: 2.0 KG
- Actual Price: Based On Offer
- Condition: New Original With Sealed
- Application: Oil And Gas Factory
- Color: Normal

Product Description

Product Description

ABB PM665 3BDS005799R1 AC 100 Processor Module

Technical Application

800xA for AC 100 delivers predefined Aspect Object Types for System 800xA.AC 100 OPC Server is utilized as interface to the Advant Controller 100 Series controllers via Advant Fieldbus 100. The delivered Aspect Object Types not only define the presentation of Objects from Advant Controller 100 Series but also the 'methods' how AC 100 OPC Server is used. There are three Configuration and Operation manuals available for 800xA for AC 100

- 800xA for AC 100 Configuration and Operation (this book)
- 800xA for AC 100/Advant® OCS, AC 100 OPC Server Configuration and Operation (3BDS013988*)
- 800xA for AC 100 Aspect Object Types (3BDS013986*)

800xA for AC 100 Configuration and Operation (this book) describes Configuration and Operation using the predefined methods of the delivered Aspect Object Types. Normally these methods support all required operation tasks like display, commands or event and alarm handling. If for some reasons special methods are required, for example sending commands cyclically via Datasets, this application is not described within this book; instead the AC 100 OPC Server Configuration and Operation book and other manuals describing the general application of 800xA Aspect Object Types have to be used. 800xA for AC 100 Aspect Object types gives detailed information about Graphical Elements within 800xA for AC 100.

Main Brands

More Support

- 1.Brand new competitive price.
- 2.Prompt delivery and remarkable services.
- 3.100% new products and 100% reliable high quality.
- 4.Free After-Sale Service,solve all your problems.
- 5.lower your support costs
- 6.Quality is guarantee within 1 year from the date of shipment.

Best Quality Assurance

- 1.High quality
- 2.Fast Delivery
- 3.We provide a large number of brand new in stock.
- 5.There are many products in stock.
6. We only provide the original new items, 100% make sure the best quality!

Our Company

Wuhan Sean Automation Equipment Co.,Ltd established for over 6 years, believes in providing the best quality,we offer and deliver products worldwide.As a factory automation wholesale distributor,we provides quality new parts along with quality on everything we carry.

We offer a minimum one-year warranty on all products.satisfied for customers are to our purpose.we have been committed to providing quality parts and equipment at the right price and right time to every clients.Many parts are stocked and available with very short lead times to ensure yourparts are available when you need them.
